

FOXROCK TIDY TOWNS

Foxrock Tidy Towns (FTT) was formed in 2010, and the number of volunteers has grown over the years resulting in a large number of dedicated residents working tirelessly to ensure the area looks its best throughout the year. The volunteers undertake new projects every year to continue to enhance the public areas - notably Beckett and Joyce Greens. Their regular patrols ensure the area is well maintained and as litter free as possible.

The '*Foxrock Tidy Towns map*' illustrates the areas maintained by Foxrock Tidy Towns (supported by Doyle Landscapes and Dún Laoghaire-Rathdown County Council), buildings of interest and key locations.
